8. YACHTS AND SAILS

8.1 Regatta will be conducted on ACC boat (**Virtual Skipper 5**)

8.2 The use of spinnaker after preparatory signal until the yacht has started is forbidden.

9. REGATTA FORMULA

9.1 Qualification round and final round shall take place.

9.2 For the qualification round, the following rules will apply:

9.2.1 Three (3) qualification series will be held, three (3) races of each series.

9.2.2 If more than 25 yachts will sign up for the regatta, they shall be divided into groups.

9.2.3 Group quantity cannot exceed 25 yachts.

9.2.4 In the first series, the groups will be created randomly.

9.4.5 After finishing first and second qualification series, X yachts will be eliminated from tournament, where $X = (\text{number of yachts signed up for tournament} - 20) / 3$, rounded up

9.4.6 After finishing last qualification series, Y yachts will be eliminated from tournament, where $Y = \text{number of yachts in the last qualification series} - 20$

9.4.7 If there is no way to point yachts to be eliminated basing on current PO 2014 results, results from PO 2013 will decide, if yacht did not take part in PO 2013 NADEO ranking will decide

9.2.8 In the qualification series, groups will further be assembled considering PO 2014 ranking (taking eliminated yachts into account) basing on following schema:

Group A:

1, 4, 5, 8, 9, 12, etc. ...

Group B:

2, 3, 6, 7, 10, 11, etc. ...

The schema mentioned above will be used for assignment to more groups.

9.3 Yacht distribution among groups will be published on start lists in cups section for Polish Open 2014 on Polish Virtual Sailing Club website.

9.4 For the final round, the following rules will apply:

9.4.1 20 yachts that last after third qualification round will advance to the final round.

9.4.2 Two (2) final series will be held, three (3) races each series.

10. SCORING

- 10.1 Low Point System will be used for scoring.
- 10.2 After first qualification series no discard will apply
- 10.3 After second qualification series 1 worst yacht result will be discarded before selecting eliminated yachts
- 10.4 After third qualification series 2 worst yacht results will be discarded before selecting eliminated yachts
- 10.2 In the final round, one (1) worst result among first 5 races will be discarded.
- 10.3 The result for the last final race can not be discarded.
- 10.3 DNE and/or DGM results can not be discarded.
- 10.4 The final ranking is a sum of qualification and final results.
